

“Love Your Liver” Clinic

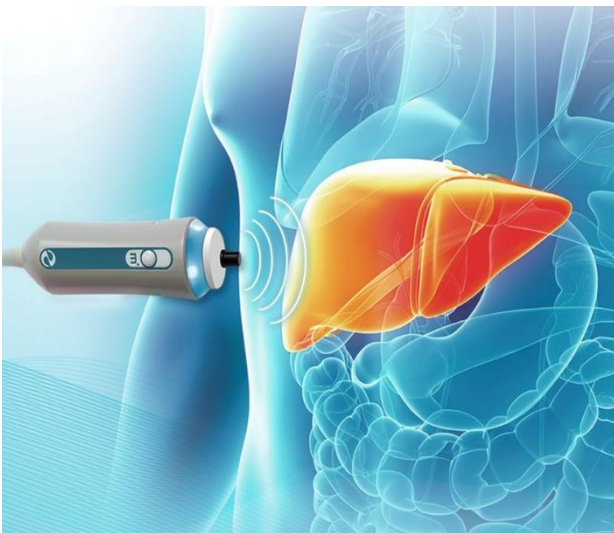

at St James’s Church, Sussex Gardens, W2 3UD

Wednesday, 4th May 2022

10am - 3pm

Free liver health check

FibroScan is a non-invasive test (nothing enters your body). It is painless, and will give your doctor important information about your liver’s health. The test takes a few minutes. Results are immediate.

Hepatitis C testing is also offered. Results are immediate.

What We Offer You:

- ✓ Liver advice
- ✓ Hepatitis C advice
- ✓ Brief intervention
- ✓ Follow-up appointments
- ✓ A treat!

Sponsored by West London ODN & St. Mary’s Hospital.
